SOFTPOD™

Softpod™ responds to the changing landscape of today's workplace, providing an alternative to conventional workstations and cubicles. As an adjunct to collaborative and community spaces, Softpod supports activities that require individual focus and engagement. Softpod facilitates hybrid schedules that require unassigned workspaces as people move between the office and home.

- Available as 3, 4 and 5-sided pods in a range of colors.
- Pods can be assembled using a simple kit of parts.
- 120-degree footprint supports clusters of one or more pods.
- Panels are comprised of two layers of recycled sound-absorbing PET felt.
- PET felt panels and internal aluminum framework can be recycled.
- 4 and 5-sided pods offer a wraparound worksurface option.
- Casual storage options and accessories support hybrid schedules.
- Pods can be equipped with power and data solutions.

SOFTPODTM

FREEFIT™
